APPLICATIONS

01

Studios

A compact daily route for a single main living area.

02

Small apartments

Low-profile cleaning beneath beds, sofas and other open furniture.

03

Simple schedules

Straightforward room-level routines with fewer zones to manage.

OPERATING WORKFLOW

01

Set up

Place the compact dock and map the apartment.

02

Routine

Schedule the main room for daily cleaning.

03

Maintain

Check brush and filter after the first week.

04

Adjust

Add no-go zones as furniture changes.

BEFORE DEPLOYMENT

Confirm floor type, thresholds, dock access, network coverage and local requirements. Values are indicative and may vary with firmware, accessories, surface and operating mode.
